INTRODUCTION

On the 109 rolls of this microfilm publication, M1821, are reproduced the compiled military service records of volunteer Union soldiers belonging to the 8th through the 13th infantry units, including the 11th (new) organized for service with the United States Colored Troops (USCT). The USCT included 7 numbered cavalry regiments; 13 numbered artillery regiments plus 1 independent battery; 144 numbered infantry regiments; Brigade Bands Nos. 1 & 2 (Corps d'Afrique and US Colored Troops); Powell's Regiment Colored Infantry; Southard's Company Colored Infantry; Quartermaster Detachment; Pioneer Corps, 1st Division, 16th Army Corps; Pioneer Corps, Cavalry Division, 16th Army Corps; Unassigned Company A Colored Infantry; and Unassigned USCT. There are also miscellaneous service cards arranged alphabetically by surname at the end of the unit records. The records reproduced are part of the Records of the Adjutant General's Office, 1780's-1917, Record Group (RG) 94.

Background

Since the time of the American Revolution, African Americans have volunteered to serve their country in time of war. The Civil War was no exception. Official sanction was the difficulty. In the fall of 1862 there were four Union regiments of African Americans raised in New Orleans, LA: the 1st, 2nd, and 3rd Louisiana Native Guard, and the 1st Louisiana Heavy Artillery (African Descent). The 1st South Carolina Infantry (African Descent) was not officially organized until January 1863; however, three companies of the regiment were on coastal expeditions as early as November 1862. The 1st Kansas Colored Infantry was not mustered into Federal service until January 1863, even though the regiment had already participated in the action at Island Mound, MO, on October 27, 1862. These early unofficial regiments received little Federal support, but they showed the strength of the African American soldier's desire to fight for freedom.

The first official authorization to employ African Americans in Federal service was the Second Confiscation and Militia Act of July 17, 1862 (12 Stat. 592). This act allowed President Abraham Lincoln "to employ as many persons of African descent as he may deem necessary and proper for the suppression of this rebellion, and for this purpose he may organize and use them in such manner as he may judge best for the public welfare." The use of African Americans met with varying reactions and treatment. In the trans-Mississippi West, they saw some combat, while in the Department of Tennessee and in the South they were frequently assigned fatigue work. In the East, they drew both combat and fatigue duty. The President did not authorize use of African Americans in combat, however, until issuance of the Emancipation Proclamation on January 1, 1863.

In late January 1863, Gov. John Andrew of Massachusetts received permission to raise a regiment of African American soldiers. Because the pace of organizing additional regiments was very slow, Secretary of War Edwin M. Stanton sent Gen. Lorenzo Thomas to the lower Mississippi Valley in March to recruit free and contraband African Americans. Thomas was given broad authority. He was to explain the administration's policy regarding African American soldiers and recruit volunteers to raise and command them. Stanton wanted all officers of such units to be white, but that policy was softened to allow African American surgeons and chaplains. By the end of the war, in addition to the chaplains and surgeons, there were 87 African American officers. Thomas's endeavor was very successful, and on May 22, 1863, the Bureau of Colored Troops was established to coordinate and organize regiments from all parts of the country. Created under War Department General Order No. 143, the bureau was responsible for handling "all matters relating to the organization of Colored Troops." The bureau was directly under the Adjutant General's Office, and its procedures and rules were specific and strict. All African American regiments were now to be designated United States Colored Troops (USCT). At this time there were some African American regiments with state names and a few regiments in the Department of the Gulf designated as Corps d'Afrique. The Corps d'Afrique units ultimately became numbered regiments in the USCT. The 54th and 55th Massachusetts Infantries (Colored), the 5th Massachusetts Cavalry (Colored), the 29th Connecticut Infantry (Colored), the 6th and 7th Louisiana Infantries (African Descent), the 3rd Tennessee Volunteer Infantry (African Descent), and the 1st South Carolina Volunteers (Colored) retained their numbers and state designations, but served under the Bureau of Colored Troops.

To facilitate recruiting in the states of Maryland, Missouri, Tennessee, and eventually Kentucky, the War Department issued General Order No. 329 on October 3, 1863. Section 6 of the order stated that if any citizen should offer his or her slave for enlistment into the military service, that person would, "if such slave be accepted, receive from the recruiting officer a certificate thereof, and become entitled to compensation for the service or labor of said slave, not exceeding the sum of three hundred dollars, upon filing a valid deed of manumission and of release, and making satisfactory proof of title." For this reason, some records of manumission are contained in the compiled service records reproduced in this publication.

The USCT fought in 39 major engagements and over 400 lesser ones. Sixteen African American soldiers received Medals of Honor. As it was in other units, the death toll from disease was very high in the USCT. Deaths from disease and battle totaled 37,000. The last regiment of the USCT was mustered out of Federal service in December 1867.

8th United States Colored Infantry

This regiment was organized from November to December 31, 1863, at Camp William Penn, PA. In February 1864 the regiment was ordered to Jacksonville, Florida, where it joined General Gilmore's ill-fated Florida expedition. The 8th USCT was engaged heavily at Olustee on February 20, 1864, and sustained heavy casualties. The regiment fought with great distinction despite never having fired its weapons before this battle. From February to August the regiment continued to serve in Florida on fatigue and fortification duty, as well as reconnaissance duty. In August the regiment was ordered to the trenches outside of Petersburg where it served until September 28. On September 29, 1864, the 8th USCT fought near Chaffin's Farm, Fort Gilmore, and in October, the Darby Town Road. Following these engagements, the regiment returned to the trenches around Petersburg until the city fell in April 1865. Following the fall of Petersburg, the 8th USCT was ordered to Texas, where they mustered out in December 1865.

9th United States Colored Infantry

This regiment was organized at Camp Stanton, Benedict, Maryland, from November 11 to December 31, 1863, for 3 years' service. In March of 1864 the regiment was ordered to Hilton Head, South Carolina, for fatigue duty and reconnaissance on John Island. The regiment joined the 3rd Division, 10th Army Corps, at Deep Bottom, Virginia, and was stationed in the trenches at Petersburg from July to September. On September 29 and 30, 1864, the 9th USCT fought at Fort Gilmore near Chaffin's Farm. In 2 days of fighting the regiment suffered 113 men and officers killed or wounded. The regiment was engaged in skirmishes at Darby Town Road on October 10 and at New Market Road on October 27. From November 1864 until April 1865 the regiment was posted in the trenches before Fort Harrison. The 9th USCT marched into Richmond on April 3, 1865, with, "Drums beating colors flying [and] men singing the John Brown Hymn-Gloria in Excelsis." In July the regiment was moved to Brownsville, Texas, where it remained until September 1866. The 9th was ordered to Louisiana in October and mustered out at New Orleans, November 26, 1866.

10th United States Colored Infantry

This regiment was formed between November and December 1863 at Camp Craney Island, Virginia, for 3 years' service. In May, the 10th USCT moved to Fort Powhatan aboard the famous steamer *Planter*. On May 24, 1864, the 10th USCT skirmished with Fitzhugh Lee's force at Wilson's Wharf. The regiment was posted to picket duty on the right of Federal lines before Petersburg in June 1864. From August 1864 to March 1865 the regiment provided guard duty at City Point, Virginia. On April 3, 1865, the 10th USCT marched into Richmond, Virginia. Beginning in July 1865, the regiment was stationed in Corpus Christie, Texas, where it remained until it mustered out in May 1866.

11th United States Colored Infantry (Old)

This regiment was organized from October 31 to December 31, 1863, at Fort Smith, Arkansas, from men recruited by Captain J. M. Steele (formerly of the 12th Kansas Volunteers). From January to July 1864 the regiment performed guard and escort duty out of Fort Smith. On August 24, 1864, a Rebel cavalry force consisting of 300-400 whites and Indians attacked the regiment, consisting of 260 men organized into companies "A" through "E." The regiment was able to repulse three cavalry charges before the enemy withdrew. On September 19, 1864, the 11th USCT skirmished against General Ganos's rebel forces. On January 24, 1865, the regiment attacked and routed Colonel Newton's rebel regiment at Bogg's Mills, Arkansas, capturing a large amount of horses and equipment. The 11th USCT (old) was stationed at Little Rock in February, at which time it was consolidated with the 112th USCT and the 113th USCT (old) to form the 113th USCT (new).

11th United States Colored Infantry (New)

This regiment was organized from June through August 1863, as the 1st Regiment Alabama Siege Artillery. During its years of active service, the regiment was reorganized several times. In January 1864, the regiment was stationed at Fort Pickering, Memphis, Tennessee, when it was consolidated into the 1st Tennessee Heavy Artillery (in accordance with Special Order 25). The regiment served on fatigue duty at Fort Pickering until early March, when it was reorganized, along with several Negro pioneer companies, into the 6th USCT Heavy Artillery. The regiment was ordered to Fort Pillow, Tennessee, where it was attacked on March 12, 1864, by the forces of Nathaniel Bedford Forrest. After the fort surrendered, over half the regiment was lost in the ensuing massacre by Forrest's forces. Following the Ft. Pillow massacre, the remains of the regiment returned to Ft. Pickering where it was reorganized as the 7th USCT Heavy Artillery. On January 23, 1865, the regiment was consolidated with several Negro pioneer companies and

designated as the 11th USCT (new). The 11th USCT served on picket and fatigue duty in Memphis until it was mustered out on January 12, 1866.

12th United States Colored Infantry

This regiment was organized at Elk Bridge and Nashville, Tennessee, in August 1863. On December 15 and 16, 1864, the regiment participated in the Battle of Nashville. The regiment participated in the pursuit of General John Bell Hood's army to Decatur, Alabama. Following this expedition, the 12th USCT guarded the Nashville and Northwestern Railroad against guerilla attacks until it mustered out in January 1866.

13th United States Colored Infantry

This regiment was organized at Camp Mussy, Tennessee, in November 1863. From December 1864 until December 1865, the 13th USCT was responsible for guarding a section of the Nashville and Northwestern Railroad. The regiment participated in the Battle of Nashville on December 15 and 16, 1864. On the second day, the 13th USCT participated in several attacks on rebel positions, including the assault on Overton Hill. In January 1865, the regiment joined the pursuit of the remnants of General John Bell Hood's army to Decatur, Alabama. The regiment was returned to picket duty along the Nashville and Northwestern railroad for the rest of the year until it mustered out on January 10, 1866.

Records Description

Compiled service records consist of a jacket-envelope for each soldier, labeled with his name, rank, unit, and card numbers. The compilation of service records of Union soldiers began in 1890 under the direction of Col. Fred C. Ainsworth, head of the Record and Pension Office of the Adjutant General's Office, Department of War. Information from muster rolls, regimental returns, descriptive books, and other records was copied verbatim onto cards. A separate card was prepared each time an individual name appeared on a document. These cards were numbered on the back, and these numbers were entered onto the outside jacket containing the cards. The carded information was verified by a separated operation of comparison; great care was taken to ensure that the cards were accurate.

A typical jacket contains card abstracts of entries found in original records relating to the soldier and original documents relating solely to that soldier. Examples of the latter include enlistment papers, substitute certificates, casualty sheets, death reports, prisoner-of-war memorandums, and correspondence. Unique to the records

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION
MICROFILM PUBLICATIONS

of the USCT are deeds of manumission, oaths of allegiance, proof of ownership, certificates of monetary award, and bills of sale. These items appear most frequently in units recruited in the border states of Kentucky, Missouri, and Maryland. These states remained in the Union but were slave states. Jackets and cards include a section labeled "bookmark," which was reserved for cross-references to other records relating to the individual or his unit. The service records are arranged by arm of service, thereunder numerically by regiment or independent battalion or company, and thereunder alphabetically by name of the soldier. Records for officers are interfiled alphabetically by name with the records of enlisted men. If an individual served in more than one unit, which was typical for USCT officers, there will be a separate service record for each unit in which he served.

The unjacketed miscellaneous cards were accumulated by the War Department with the expectation that they would be incorporated in individual compiled service records. The expectation was never fulfilled, however, because either insufficient or contradictory information made it impossible to associate the cards or papers with a particular soldier's service record.

Related Records

Among the records of the Adjutant General's Office in the National Archives are many of the original records that were abstracted or "carded" by the Record and Pension Office. These include the individual unit's muster rolls, returns, and descriptive books. Other series in RG 94 that contain information relating to volunteer Union soldiers who served with the USCT include carded records relating to Union staff officers, carded medical records of volunteer Union soldiers, unbound and bound regimental records, and "record of events" cards. The regimental records of the 54th Massachusetts Infantry (Colored) have been reproduced as Microfilm Publication M1659, *Records of the Fifty-fourth Massachusetts Infantry Regiment (Colored), 1863-1865*.

The "record of events" cards include information copied from the unit's muster rolls and returns. They show the stations of the field and staff and of the companies of the regiment at the time the muster roll or return was prepared and sometimes mention battles, skirmishes, or other activities in which the regiment participated. The cards have been reproduced as Microfilm Publication M594, *Compiled Records Showing Service of Military Units in Volunteer Union Organizations*.

Record Group 94 also includes a card index for the USCT, reproduced as Microfilm Publication M589, *Index to Compiled Military Service Records of Volunteer Union Soldiers Who Served with U.S. Colored Troops*, which may be used to locate the regiment of USCT personnel. An index card gives the name of the soldier and his

rank, as well as the unit in which he served; sometimes there is a cross-reference to his service in other units or organizations. The National Archives is continually producing microfilm publications of volunteer Union compiled military service records. A complete listing of finished publications can be found in the National Archives *Microfilm Resources for Research: A Comprehensive Catalog*, which is available online at www.nara.gov.

The Records of the Colored Troops Division, within RG 94, include division correspondence and records relating to recruiting, the appointment of officers, and the slave or free status of individuals as well as a compilation of historical extracts and official papers concerning the military service of African Americans from the colonial period through the Civil War entitled *The Negro in the Military Service of the United States 1639-1886*. This compilation is reproduced as Microfilm Publication M858. The Records of the Bounty and Claims Division, also in RG 94, include correspondence of the division and records relating to bounties and claims paid to loyal owners of slaves by the Slave Claims Commissions of Delaware, Kentucky, Maryland, Missouri, Tennessee, and West Virginia.

If a soldier applied for a pension, the pension application case file may be among the Records of the Veterans Administration (RG 15). Indexes to the pension applications have been reproduced as Microfilm Publication T288, *General Index to Pension Files, 1861-1934*, and T289, *Organizational Index to Pension Files of Veterans Who Served Between 1861 and 1900*.

If a soldier or officer was tried before a general court-martial or if an individual or his unit was the subject of a court of inquiry or military commission, transcripts of the proceedings may be among the Records of the Office of the Judge Advocate General (Army) (RG 153). The registers to the proceedings have been reproduced as Microfilm Publication M1105, *Registers of the Records of the Proceedings of the U.S. Army General Courts-Martial, 1809-1890*.

Other record groups having information pertaining to the USCT include Records of the Bureau of Refugees, Freedmen, and Abandoned Lands (RG 105); Records of the Provost Marshal General's Bureau (Civil War) (RG 110); Records of the Accounting Officers of the Department of the Treasury (RG 217); and Records of U.S. Army Continental Commands, 1821-1920 (RG 393).

Holdings of the National Archives relating to the Civil War are outlined in Kenneth W. Munden and Henry Putnam Beers, *Guide to Federal Archives Relating to the Civil War* (Washington, DC: National Archives, 1962) and Henry Putnam Beers, *Guide to the Archives of the Government of the Confederate States of America* (Washington, DC: National Archives, 1968), which were reprinted as *The Union* (1986) and *The Confederacy* (1986).

And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

FINAL STATEMENT

Dr. H. Hill
OF
Henry William

10th Reg't of *U.S. C. Troops*

VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

VOLUNTEERS.

And July 11th 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1863.

DECEASED SOLDIERS.

Par. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause: to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of —, late of company (—), — regiment of —, who died at —, the — day of —, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

Par. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of —, late of company (—), — regiment of —, who died at —, the — day of —, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. EXTRACT.

The following Appointments are hereby made in the 10th United States Colored Troops subject to the approval of the President of the United States.

Lieut Alphonse Wilson Co. D. 148th N.Y.V. to be
2^d Lieut.

By Command of Major General BUTLER.

R. P. Davis

Assistant Adjutant General.

To C.O. 10th U.S.C.T.

Major Foster,

Sir, the reason of my wishing to appear before the board is this. There seems to be a feeling of antipathy among the officer in the way that I recd my Appointment and the Col John A. Nelson although not in Command does not like it. because he says that he had the promise of no officers but those that passed the board of examiners and as I made the Eleventh 2nd Lieut there was no vacancy for me so I have had ~~no~~ ^{no place to be} responsibility assigned to permanently. & they do not seem inclined to recommend any of their 2nd Lieutenants for promotion to make a vacancy for me there is three vacancies for Captains and 3 for 1st Lieut.

I am a poor boy and all I ask is to have a fair chance. I have not had the advantage of an education at all & all I know is what I have learned in my leisure moments.

I have the honor to be Sir
your most Obedient Servant

Sir

I take great pleasure in recommending to your favorable consideration Lieut. Alphonz Wilson, as a young man of good habits, and a thorough soldier. Lieut. Wilson has been serving in the regt. since Feb. 5th under an appointment from Maj. Gen. Butler, and now applies for permission to appear before the "Board," that his appointment may be confirmed by the President. Should he be accepted, as I feel confident he will - I would respectfully request that he may be appointed to his regt. should there be a vacancy in the grade for which he applies. I have the honor to be, Sir,

Very Respectfully

Dec. 4. Report to the President
of the 10th Regiment U.S.
Col. Powell

This letter discloses
a state of facts which
if true - will not reflect
credit upon the Commanding
of the 10th Regiment U.S.
Colored Troops. Some officers
have not shown such
efficiency as entitles them
to be fashionable as to who
serves with them. Any thing

like combination or
interference with the officers
appointed by my order will
be visited in such
manner as will at least
be inconvenient to
the officers attempting
it. Return this paper with report

Sir

With reference to the case of Lieut. Wilson of this Regt. I would say that circumstances have conspired to give the matter a very different coloring from what a thorough knowledge of the facts would show. It might appear from the form of the application, that I endorsed his communication by writing a testimonial upon the back of it, which was not the case. The Lieut. came to me just as I was starting for home requesting that I would recommend him to appear before the "Board," stating as his reason for wishing it, that there was a feeling of antipathy among the Officers against him which was very disagreeable, that "he didn't like to be considered an odd one." &c. I inquired about this feeling, and he only answered that "he had felt it ever since he'd been with us," and told what Lt. Nelson said to him. If there has been any outward demonstrations of "antipathy" made I know nothing of it, and as far as any "combination or interference with officers appointed by order" of the Comdg. Genl. is concerned I hope the Officers of this Regt. may be considered too good soldiers for that, as I trust they know their duty better. I had but a moment's time, I wrote what I did, - in the same spirit, I would have done it for any one I considered worthy, without stopping to look at the matter in its other bearing, and note the reflection, it might be considered as casting upon the appointing authority.

Over

He wrote his application upon the other side of the same sheet. I had nothing to do with forwarding it.

FINAL STATEMENT

OF

(A)
Private Alfred Thomas Co. H.
10th Reg't of U.S. Col. Inf.

VOLUNTEERS.

Alfred Thomas 24/87x

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

VOLUNTEER ENLISTMENT.

STATE OF

New York

TOWN OF

Springport Cayuga Co
23rd Sub Dist 24th Dist

I, James Winley born in _____
in the State of North Carolina aged Sixteen years,
and by occupation a Laborer DO HEREBY ACKNOWLEDGE to have
volunteered this Seventh day of March 1865,
to serve as a **Soldier** in the **Army of the United States of America**, for
the period of **THREE YEARS**, unless sooner discharged by proper authority:
Do also agree to accept such bounty, pay, rations, and clothing, as are, or may be,
established by law for volunteers. And I, James Winley do
solemnly swear, that I will bear true faith and allegiance to the **United States**
of America, and that I will serve them honestly and faithfully against all
their enemies or opposers whomsoever; and that I will observe and obey the
orders of the President of the United States, and the orders of the officers
appointed over me, according to the Rules and Articles of War.

Sworn and subscribed to, at Antwerp NY
this 7 day of March 1865, } James Winley
BEFORE Benj B Snow } mark
Capt & Prov Mar 24th NY.

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, agreeably
to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and
mental infirmity, which would in any way disqualify him from performing the duties of a soldier.

G W Davis

Prov Bd Enlistment 24th NY.
EXAMINING SURGEON

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer, James Winley
previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my
judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the
duties of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting
service. This soldier has Dark eyes, Blk hair, Blk complexion, is 5
feet 7 inches high.

Benj B Snow

Capt & Prov Mar 24th NY.
RECRUITING OFFICER

Mustered into the service of the United States, for three years or during the war, from date of enlistment, in Company _____
Regiment of 23rd Sub Dist Volunteers, on the 7 day of March, 1865, at Antwerp NY.

Benj B Snow
Capt & Prov Mar 24th NY.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

DECLARATION OF RECRUIT.

I, James Winley desiring
to VOLUNTEER as a Soldier in the Army of the United States, for the term of THREE YEARS,
Do Declare, That I am Sixteen years and eight months
of age; that I have never been discharged from the United States service on account of disability or
by sentence of a court martial, or by order before the expiration of a term of enlistment; and I know
of no impediment to my serving honestly and faithfully as a soldier for three years.

Pres. Board of Examination

Sir;

I have the honor to request an examination for a position in the Regular Army. My Military History is as follows:—

On the 4th of Aug. 1862, I enlisted as a Private in Co. "B" 18th Conn. Vols, in which regt. I served in the Middle Dept. On the 13th 14th and 15th days of June, 1863 I took part in the engagements at and near Winchester Va, being taken prisoner on the last day mentioned.

Dec. 1st 1863, I was examined before "Casey's Board" at Washington, D.C. and appointed Captain in the 10th U.S. Art. I reported for duty on the 28th of same month, since which time, with the exception of 20 days leave of absence in Feb. last, I have constantly been on duty with the regt.

On the 24th of May, 1864, I participated
in the defence of Wilson's Wharf, on the
James river, Va. which is the only time the regt.
has been actively engaged, though it was, for
a considerable time, during the summer of '64,
on active Ricket duty in front of Petersburg
Va. and lost numbers of men

Since being in service I have never
been in Hospital nor been off duty on account
of sickness to amount to an days.

Very Respectfully
Yours, O. W. Serot,
Anson Withey.

ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1863.

DECEASED SOLDIERS.

Par. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause: to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—), _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

Par. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—), _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relative of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

FINAL STATEMENT

OF

Private Edmond Walden

10th Reg't of U.S. Troops

VOLUNTEERS.

Discharged June 22, 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

Sir.

I have the honor to request that Colonel Elias Wright, 10th Regt. U. S. C. T. may be ordered to report to me for assignment to duty. Maj. Genl. Weitzel, in whose Corps Colonel Wright is serving at present, has consented to this assignment, in consideration of the fact that an officer has recently been assigned to him from my command.

Colonel Wright has served with me almost continuously from September, 1861 to the date when he received a commission in the colored service. to which service he was transferred at my request. Being fully sensible of his value as an officer, I desire that he should command one of the Brigades of this Division

We certify, on honor, That we have carefully examined the above-named Volunteer Substitute
agreeably to the Regulations, and that, in our opinion, he is free from all bodily defects and mental infirmity
which would in any way disqualify him from performing the duties of a soldier; that he was entirely sober
when enlisted; that he is of lawful age, (not under 18 years;) and that, in accepting him as duly qualified to
perform the duties of an able-bodied soldier, and as a Substitute in lieu of Michael Long
Michael Long, drafted in 4 sub dis of D.C.
Oct 25, 1864, we have strictly observed the Regulations which govern
in such cases. This soldier has black eyes, black hair, black complexion; is 5 feet 6
